Dear Dick:

I appreciate the material which you sent us in January, concerning the above named individual. This is most helpful to us in establishing a file.

I am enclosing another confidential record sheet which I would like to have completed so that we may identify Mr. Day should he attempt registration in some other location. We would also like to have a copy of a paper with his signature, if you have this available, as this will aid in the identification process.

The note from William Osgood indicates that there is an investigation at this time. If there is to be legal action, we certainly would like to have the outcome of that, and any conviction or sentencing which may take place.

Please give us the confidential record sheet with as much information as you can secure so that we have a more complete file. Thanks so much for your help.

Sincerely,

Dear Mr. Day:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America. A refund of your registration fee is enclosed.

You should understand that Boy Scouts of America membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not meet the high standards of membership which the Boy Scouts of America seeks to provide for American youth.

If you wish to have this decision reviewed by a council review committee, please write to me, explaining your version of the facts supporting your claim that your registration as a Boy Scouts of America member should be granted.

Sincerely yours,

Edward C. Jacobs  
President/Scout Executive
